FACT: When you are in a Timeshare Presentation; You simply cannot put a price on The Instant Recognition of a Lie!

Knowing any ONE of these secrets will save you THOUSANDS AND THOUSANDS of dollars in unnecessary purchases & upgrades year after year!

This is the only book available that is completely 100% non-biased and focused on protecting your family from the "Tricks of the Timeshare Industry" that are waiting for you. I have personally seen families with \$50,000 to \$100,000 in timeshare debt simply due to getting caught up in the "games" that some of these resorts use to convince people to upgrade their timeshare contracts while on vacation. The tactics that these resorts use are unbelievably powerful and the sales people are very well trained and very convincing! If you are not on your toes and if you do not know what to look out for, they will have you signing up for more timeshare about everytime you go on vacation. They practice their trade EVERY DAY... you go on vacation once a year.

My experience with the timeshare industry was a short period of about 14 months with a company that will remain nameless due to my commitment to being 100% objective with this information. When my previous industry fell apart with the housing crash of 2007, I was searching for a replacement to my income. I found and fell in love with the timeshare industry. I was sold on the idea that I was helping owners "go on vacation" and getting paid REALLY WELL to do it. I truly thought I had found the perfect job centered around being "on vacation". I listened, learned and very quickly became one of...
