Experience The Exceptional Traditions And Beautiful Natural Landscapes Of Italy

If you live for good food and even better wine, look no further than that boot-shaped country, Italy. Italy has been a famous destination for all sorts of people looking to take an amazing vacation, whether they want to live like a Roman for a day, get serenaded by a gondolier in Venice, or lounge on the coast of the turquoise Mediterranean Sea. If you are looking for a destination for a wedding, a honeymoon, a family vacation, or just a relaxing get-away, all you need to do is go online or visit the [pass port bureau](#) and get a passport, book a flight, and you're on your way to Italy.

You can't mention Italy without mentioning the wine. Italy is the world's largest producer of wines, as well as the producer of some of the world's most famous wines. The climate and yearly weather on the Italian peninsula make it the perfect place to grow grapes, and good grapes equals great wine. Food and wine tours, complete with multiple wine tastings, make Italy a popular destination for simple wine lovers to wine connoisseurs.

The shore of the Mediterranean Sea along the Italian coast is the chosen destination for those seeing enjoyment and relaxation along some of the most beautiful beaches in the world. The coast is dotted with rocky coves, cliffs and a shore line that is nothing short of majestic. Beach cottages and accommodations entice the vacationer to enjoy the Italian city life while enjoying the Mediterranean sunset. While visiting coastline Italy, your only dilemma will be how to visit all the beautiful places you want to enjoy during the course of your stay.

You can't talk about water and not be reminded of Venice, one of Italy's most famous cities and the most sought after destination of many around the world. If you are traveling on a budget and who isn't these days, you can enjoy a free, that's right, I said free, visit to the famous St. Mark's Basilica while visiting Venice. The art work, the architecture, the plaza and the famous pigeons will stir the romantic in all who visit as the St. Mark's plaza has been the filming site of many movies where the guy always gets the girl (or vice versa). It's so easy to get your passport applications online, you will be falling in love with Venice before you know it.

When in Rome, do as the Romans do but first you have to get to Rome. With Vatican City almost contained in this beautiful city, many come to Rome on a pilgrimage of sorts. St. Peter's Cathedral and the Sistine Chapel can be a destination impossible to resist. Other attractions in this phenomenal city include but are not limited to the Coliseum, Circus Maximus, and the Mamertine Prison where the Apostle Paul wrote many of his epistles. Go online and investigate the sites of Rome and you won't be able to resist.

When you travel to Italy, you can enjoy culture, relaxation and beauty beyond compare. Those who are recently married, have children, or want to celebrate good times with good friends find the possibilities to be endless within the Italian borders. To prepare for your adventure, visit your [U S passport bureau](#) or fill out your [new passport application](#) online. That's the easy part. The hard part will be trying to plan only a short stay in the fabulous country of Italy.
