Services To Make Use Of When Adding Pages To Your U.S. Passport

There are many services that are needed for travelers who go abroad. And understanding what is available, like name changes or adding pages to your USA passport, can be very handy. But knowing how this happens is also important.

Full Passport?

Because of the nature of work or just enjoying the fun of traveling, the book has filled up quickly. You are down to only two or three pages and those will not last long. So finding out how to add more has become a priority.

Quick Processing

This does not have to be a difficult procedure for you. The documents you need are not complicated and most of them, you have already. And the ones you need are available a couple of ways so choose whichever is better for you.

Online Services

The services that online agencies add will include name changes and extra pages for books. Select one that looks reasonable to you and see what they are going to require. There are many excellent companies for you to choose from.

Form DS-4085

You are going to fill in an application form, a DS-4085, requesting the addition. You can fill out the form online and then print it. Your printer must duplicate it in black ink only. Or, if you prefer, you can print it first and then fill it in by hand, again using black ink.

Required Information

The application form has got to be filled in correctly. Do not risk delays or even being denied because your request by incorrect or missing information. Make sure everything is filled in completely right down to the proper social security number and date.

Current Passport

The book that you want to add to has got to be current and undamaged. All names must be the same with documentation for name changes sent in as well. The book and all paperwork will be included when you send in your forms.

Online Or By Mail

You do have choices on the way you process this request. You can use the government facilities and then mail your information in and wait for it to be returned. You also have the option of using an online service. These can be quicker for you and they have representatives that will be able to assist you with every step.

Intent To Travel

If you are using an online business, you will be required to fill out an "Intent to Travel" letter. This will be sent in with your application form and your valid book. The form will be displayed on the site so you will understand how to do this.

Fees

When you are ready to decide on how soon you want the book returned, you will be able to choose the different rates for expediting this process. You can base the fees on this time. It can be sent faster if you need it

immediately.

Whichever method you select for [adding pages to your passport](#), be sure you include all of the documentation. Make sure that everything is properly filled in and signed for [passport expediting](#). Double check that you have included the correct fees and the letter of intent. Now all you need to do is wait for it to be sent to you.
